

COVID – 19 Preparedness and Response Plan
(Executive 2020-142 District Preparedness Plan)

New Life Christian Academy

5517 Griswold Road

Kimball, MI 48074

www.nlcaschool.com

Approved by New Life Christian Academy Administrator, Miss Lee Ann Shimmel,
in cooperation with the Board of Directors.

Preparedness Plan Assurances

The School agrees to meet all of the following requirements of Executive Order 2020-142

- ✓ The School assures that when it provides in-person instruction to its students without disabilities, the district must also provide in-person instruction to its students with disabilities, consistent with their individualized education programs (IEPs).
- ✓ The School assures that when schools are closed to in-person instruction, districts must strive in good faith and to the extent practicable, based upon available resources, technology, training, and curriculum, as well as the circumstances presented by COVID-19, to provide equal access to any alternative modes of instruction to students with disabilities from birth through age 26. This assurance includes the provision of auxiliary services under section 1296 of the Revised School Code, MCL 380.1296.
- ✓ The School assures that while any state of emergency or disaster related to the COVID-19 pandemic continues, it shall comply with guidance from the United States Department of Education, including its Office of Civil Rights and Office of Special Education and Rehabilitative Services, and the Michigan Department of Education concerning the delivery of alternative modes of instruction to students with disabilities in light of the impact of COVID-19.
- ✓ The School assures that during **Phase 1, 2, or 3** of the *Michigan Safe Start Plan* it will close its buildings to anyone except: (a) District employees or contractors necessary to conduct minimum basic school operations consistent with a Preparedness Plan, including those employers or contractors necessary to facilitate alternative modes of instruction, such as distributing materials and equipment or performing other necessary in-person functions. (b) Food-service workers preparing food for distribution to students or their families. (c) Licensed child-care providers and the families that they serve, if providers follow all emergency protocols identified by the state.
- ✓ The School assures that during **Phase 1, 2, or 3** of the *Michigan Safe Start Plan* it will suspend athletics, after-school activities, and inter-school activities.
- ✓ The School assures that during **Phase 1, 2, or 3** of the *Michigan Safe Start Plan* it will provide for the continued pay of school employees.
- ✓ The District assures cooperation with the local public health department if a confirmed case of COVID-19 is identified, and agrees to collect the contact information for any close contacts of the affected individual from two days before he or she showed symptoms to the time when he or she was last present in school.

MI Safe Start Phases 1-3

NLCA will follow all safety protocols required.

- School is closed for in-person instruction.
- NLCA will implement its Distance Learning Plan, using technology and chosen on-line learning platforms.

- If needed, students will be supplied with necessary technology to complete assignments.
- School employees are permitted to be physically present in the school building for the purposes of conducting basic school operations, including remote live instruction.
- All afterschool and athletic activities are suspended.
- No student transportation is offered at New Life Christian Academy.
- Before the school building is reopened, cleaning procedures will be followed as required.

MI Safe Start Phase 4

If a school is located in a Phase 4 MERC District, as described in the MI Safe Start Plan, the following will be adhered to:

Personal Protective Equipment

- All staff will wear facial coverings when in **classrooms**, except (1) during meals and (2) unless face coverings cannot be medically tolerated as documented through written and signed verification by a physician.
- All staff and all students in grades pre-kindergarten and up will wear facial coverings when in **indoor hallways and common areas**, except (1) during meals and (2) unless face coverings cannot be medically tolerated as documented through written and signed verification by a physician, with parental consent for students.
- Facial coverings are not required in preschool classrooms by children ages 3 and 4.
- All students in grades kindergarten through 5 will not be required to wear facial coverings in their **classrooms**, unless (1) students do not remain with their cohort class throughout the school day and (2) come into close contact with students in another class.
- All staff and students in grades 6-12 will wear facial coverings, except (1) during meals and (2) unless face coverings cannot be medically tolerated as documented through written and signed verification by a physician, with parental consent.
- NLCA will not conduct indoor assemblies that bring together students from more than one classroom. School Chapels may be allowed provided that all safety guidelines are followed.
- Facial coverings may be homemade or disposable level one/basic-grade surgical masks, but must meet NLCA staff standards.

Hygiene

- Provide adequate supplies to support healthy hygiene behaviors (including soap, hand sanitizer with at least 60% alcohol for safe use by staff and students, paper towels, tissues, and signs reinforcing proper handwashing techniques).
- Teach and reinforce handwashing with soap and water for at least 20 seconds and/or the safe use of hand sanitizer that contains at least 60% alcohol.

- Educate staff and students on how to cough and sneeze into their elbows, or to cover with a tissue. Used tissues should be thrown in the trash and hands washed immediately using proper hand hygiene techniques.
- Systematically and frequently check and refill soap and hand sanitizers.
- Daily, provide opportunities for handwashing with soap and water by students and teachers.
- Limit sharing of personal items and supplies such as writing utensils.

Spacing, Movement and Access

- Space students as far apart as feasible in classrooms, whether desks or tables are utilized.
- Post signage to indicate proper social distancing.
- Place markers at six-foot intervals where line formation is anticipated.
- Provide social distancing markers in waiting and reception areas.
- Post signs on the doors of restrooms to indicate proper social distancing and hand hygiene techniques.
- Restrict entrance to the school to students and staff only, with the following allowances: Family members or other non-staff adults are not allowed in the school building except under extenuating circumstances determined by school officials. All non-staff adults entering the building must be screened for symptoms using a monitoring form, wear a facial covering, and wash/sanitize hands prior to entering. Strict records, including date and time, should be kept of all non-staff adults entering and exiting the building.

Screening Students and Staff

- Cooperate with the local public health department regarding implementing protocols for screening students and staff.
- Temperatures will be taken daily upon entry to the building.
- Identify and designate a quarantine area and a staff person to care for students and staff who develop signs or symptoms of COVID-19 at school.
- Students and staff who become ill with signs or symptoms of COVID-19 will be placed in an identified quarantine area with a facial covering in place, if able, until they can be picked up. Identified person caring for these children/staff will wear a facial covering.
- Symptomatic students and staff sent home from school will stay home until they have tested negative or have completely recovered according to CDC guidelines.
- Staff will conduct daily self-examinations, including a temperature check, prior to coming to work. If they exhibit any new or unusual symptoms as reported on the COVID-19 school monitoring form, they will stay home. Staff member will contact the school administrator.

Testing Protocols for Students and Staff and Responding to Positive Cases

- Cooperate with the local public health department regarding implementing protocols for screening students and staff.
- Symptomatic students and staff will be kept home until they have tested negative for COVID-19 or have been released from isolation according to CDC guidelines.

- Families will be notified of the presence of any laboratory positive or clinically diagnosed cases of COVID-19 in the classroom and/or school to encourage closer observation for any symptoms at home.

Responding to Positive Tests Among Staff and Students

- Cooperate with the local public health department if a confirmed case of COVID-19 is identified, and in particular, collect the contact information for any close contacts of the affected individual from two days before he or she showed symptoms to the time when he or she was last present at the school. The Local Health Department will initiate contact tracing, following regular public health practice.
- Notify local health officials, staff, and students immediately of any possible case of COVID-19 while maintaining confidentiality consistent with the Americans with Disabilities Act (ADA) and other applicable federal and state privacy laws.

Food Service, Gathering, and Extracurricular Activities

- Prohibit indoor assemblies that bring together students from more than one classroom. NLCA Chapels may be allowed provided that all safety guidelines are followed.
- If the cafeteria is used and six feet of distance between students is not possible, meal times should be staggered or physical barriers should be used. Serving and cafeteria staff will use barrier protection including gloves, face shields, and surgical masks.
- Classrooms or outdoor areas can be used for students to eat meals at school.

Athletics

- NLCA will comply with all guidance published by Michigan High School Athletic Association (MHSAA) and the National Federation of State High School Associations (NFHS).
- Students, teachers, and staff must use proper hand hygiene techniques before and after every practice, event, or other gathering.
- Every participant should confirm that they are healthy and without any symptoms prior to any event. On non-school days a monitoring form needs to be completed by all participants (this includes all adult volunteers, coaches and administrators)
- All equipment must be disinfected before and after use.
- Each participant must use a clearly marked water bottle for individual use. There should be no sharing of this equipment.
- Handshakes, fist bumps, and other unnecessary contact must not occur.
- Physical conditioning activities that require shared equipment are suspended. Outdoor physical conditioning activities are allowed while maintaining social distancing.
- Large scale indoor spectator events are suspended. Large scale outdoor spectator or stadium events are limited to 100 people, and people not part of the same household must maintain six feet of distance from one another.
- Spectators are allowed provided that facial coverings are used by observers and six feet of social distancing can be maintained at all times. Attention must be given to entry and exit points to prevent crowding.

Cleaning

- Frequently touched surfaces including light switches, doors, benches, and bathrooms, will undergo cleaning at least every four hours with either an EPA-approved disinfectant or diluted bleach solution.
- Libraries, computer labs, arts, and other hands-on classrooms will undergo cleaning after every class period or when cohorts change classrooms, with either an EPA-approved disinfectant or diluted bleach solution.
- Student desks will be wiped down with either an EPA-approved disinfectant or diluted bleach solution after every class period, or when cohorts change classrooms.
- Playground structures will continue to undergo normal routine cleaning, but using an EPA-approved disinfectant is unnecessary.
- Ensure safe and correct use and storage of cleaning and disinfection products, including storing products securely away from children, and with adequate ventilation when staff use products.
- Staff must wear gloves, surgical masks, and face shields when performing all cleaning activities.

Mental & Social-Emotional Health

- The School Counselor will facilitate mental health referrals, communications to families/ students, and public-facing wellness materials.
- Provide all staff with timely, responsive, and ongoing training/professional development.

MI Safe Start Phase 5 Requirements

Personal Protective Equipment

- Face coverings are optional for students and staff when in classrooms. If a staff member or student has been identified to be at increased risk of illness by their physician, face covering should be worn.
- All staff and all students in grades pre-kindergarten and up will wear facial coverings when in indoor hallways and common areas, except (1) during meals and (2) unless face coverings cannot be medically tolerated as documented through written and signed verification by a physician, with parental consent for students.
- NLCA will not conduct indoor assemblies that bring together more students than the most recent Executive Order allows. School Chapels may be allowed provided that all safety guidelines are followed.

Hygiene

- Provide adequate supplies to support healthy hygiene behaviors (including soap, hand sanitizer with at least 60% alcohol for safe use by staff and students, paper towels, tissues, and signs reinforcing proper handwashing techniques).
- Systematically and frequently check and refill soap and hand sanitizers.
- Daily, provide opportunities for handwashing with soap and water by students and teachers.
- Limit sharing of personal items and supplies such as writing utensils.

Spacing, Movement and Access

- Space students as far apart as feasible in classrooms, whether desks or tables are utilized.
- Post signage to indicate proper social distancing.
- Place markers at six-foot intervals where line formation is anticipated.
- Provide social distancing markers in waiting and reception areas.
- Post signs on the doors of restrooms to indicate proper social distancing and hand hygiene techniques.
- Restrict entrance to the school to students and staff only, with the following allowances: Family members or other non-staff adults are not allowed in the school building except under extenuating circumstances determined by school officials. All non-staff adults entering the building must be screened for symptoms using a monitoring form, wear a facial covering, and wash/sanitize hands prior to entering. Strict records, including date and time, should be kept of all non-staff adults entering and exiting the building.

Screening Students and Staff

- Cooperate with the local public health department regarding ongoing protocols for screening students and staff.
- Maintain a quarantine area and a staff person to care for students and staff who develop signs or symptoms of COVID-19 at school.
- Students and staff who become ill with signs or symptoms of COVID-19 will be placed in an identified quarantine area with a facial covering in place, if able, until they can be picked up. Identified person caring for these children/staff will wear a facial covering.
- Symptomatic students and staff sent home from school will stay home until they have tested negative or have completely recovered according to CDC guidelines.
- Staff will conduct daily self-examinations, including a temperature check, prior to coming to work. If they exhibit any new or unusual symptoms as reported on the COVID-19 school monitoring form, they will stay home. Staff member will contact the school administrator.

Testing Protocols for Students and Staff and Responding to Positive Cases

- Cooperate with the local public health department regarding ongoing protocols for screening students and staff.
- Symptomatic students and staff will be kept home until they have tested negative for COVID-19 or have been released from isolation according to CDC guidelines.
- Families will be notified of the presence of any laboratory positive or clinically diagnosed cases of COVID-19 in the classroom and/or school to encourage closer observation for any symptoms at home.

Responding to Positive Tests Among Staff and Students

- Cooperate with the local public health department if a confirmed case of COVID-19 is identified, and in particular, collect the contact information for any close contacts of the affected individual from two days before he or she showed symptoms to the time when he or she was last present at the school. The Local Health Department will initiate contact tracing, following regular public health practice.
- Notify local health officials, staff, and students immediately of any possible case of COVID-19 while maintaining confidentiality consistent with the Americans with Disabilities Act (ADA) and other applicable federal and state privacy laws.

Food Service, Gathering, and Extracurricular Activities

- NLCA will not conduct indoor assemblies that bring together more students than the latest Executive Order allows.
- School Chapels may be allowed provided that all safety guidelines are followed.
- If the cafeteria is used and six feet of distance between students is not possible, mealtimes should be staggered, or physical barriers should be used. Serving and cafeteria staff will use barrier protection including gloves, face shields, and surgical masks.

Athletics

- Schools will comply with all guidance published by Michigan High School Athletic Association (MHSAA) and the National Federation of State High School Associations (NFHS).
- Students, teachers, and staff must use proper hand hygiene techniques before and after every practice, event, or other gathering.
- Every participant should confirm that they are healthy and without any symptoms prior to any event. On non-school days a monitoring form needs to be completed by all participants (this includes all adult volunteers, coaches and administrators)
- All equipment must be disinfected before and after use.
- Each participant must use a clearly marked water bottle for individual use. There should be no sharing of this equipment.
- Handshakes, fist bumps, and other unnecessary contact must not occur.

Cleaning

- Frequently touched surfaces including desks, light switches, doors, benches, bathrooms, and hands-on classrooms will undergo frequent cleaning with either an EPA-approved disinfectant or diluted bleach solution.

Mental & Social-Emotional Health

- The School Counselor will facilitate mental health referrals, communications to families/ students, and public-facing wellness materials.
- Provide all staff with timely, responsive, and ongoing training/professional development.
